

Nashotah House

THEOLOGICAL
SEMINARY

Forming Leaders in the Anglican Tradition Since 1842

Could there be any greater gift than insuring that there will always be ordained and lay leaders to serve Christ's Church?

STUDENT SENTIMENTS

"The quality of the instruction and the structure of the seminary community grounded us with an understanding of the Bible and a model of a Christian community."

"The House instilled in us a desire to help others in their spiritual journey."

"The Daily Offices helped us to develop a personal prayer life."

Many contributors have chosen to answer the call to support scholarships for Nashotah House students, but many more are needed.

90-95% of our residential students and 60% of the balance of our students require financial aid in the form of scholarships and loans.

Please consider answering the call by making a year-end gift today!
